STOP!**SENSATIONAL FURNITURE VALUES****20 Per Cent Off on Everything****During This Week At Our****Expansion Sale**

Only two more days and the liberal offer of allowing you \$10 on any type of an old stove be it coal, oil or gas, toward a new Peninsular will close. Our special offer on stoves will positively close on Saturday night and we invite you to take advantage of this opportunity and buy while the prices are right.

The Home Furniture Company invites you to pay a visit and inspect the stoves without imposing any obligation. A representative of the factory, Mr. Friedt, is here with us this week and he will be pleased to prove to you that the Peninsular is a make that is superior to others.

Why defer the purchase of a coal stove. Get a stove now and be on Easy street when winter sets in. With the indication of another rise in prices due to increased cost of production we urge all our patrons to embrace this offer during our EXPANSION SALE.
